Motor Vehicle Excise Bill Address Changes

It is the owner's responsibility to notify the Registry of Motor Vehicles of your address change. You are able to do that online at www.mass.gov/rmv or through your Automobile Insurance Agent. We cannot change your address in the Assessor's Office. If you have moved out of town it is important to change your Town of Garaging on your vehicle registration so that the correct town sends out your bill. This is in addition to your mailing and residential address. Please remember if you do not change your address with the RMV, your bills will continue to go to the last address on record.
